

Claim # 12211
{ Claim Letter }

To Whom it may concern,

I Mr. Jerry L. Knighten, oppose the reclassification of my claim in response to the omnibus objection in accordance with the notice I received.

Come on now people, you all know very well that I and many others who have filed these claims, had no way of knowing about the cut off date before filing them. It's not like you all was able to contact us by sending any type of claim forms to file in the first place and that's because you all couldn't. You all know that.

I as a former, frequent customer could not help the fact that I did not receive any forms / information about this issue long before the deadline. I did not receive it until way after, when they were actually closing. Let me just put it this way Sirs/Mams, when I returned items to Circuit City, I did not receive any cash refund for them, instead they put the refund on those gift cards that I've sent you all a copy of.

By you all objecting to my complaint, it's as if I'm being robbed because I didn't get the chance to take advantage of the refunded credit from the items I returned to Circuit City. After moving from one place to another, I misplaced my cards, but then made

an effort to find them once I heard my favorite store was leaving me (lol), but I'm serious. Once I found them, there ~~was~~ was nothing worthy left to use my credit refund on because everything was gone and was I disappointed.

It would be much appreciative if you all would at least take my (a frequent, former buying circuit city customer) situation into consideration. My family and really miss Circuit City because now we're forced to go to ~~your~~ ^{it's} former competitors, like Best Buy. Again please take this into consideration (Total amount ~~is~~ of refunded money on gift card is 121.90)

Thanks,

Joseph L. Knighten
